Module: HPDM206Z – Computing Skills and Python

Assessment: Github Coding task and short report

Student Number: 760072671

Declaration of Generative AI Use

I confirm that I have used generative AI tools during the completion of this assessment. These tools were used to support my learning, troubleshoot technical issues, refine planning documents, and improve clarity of written work.

I confirm that:

All AI-assisted content has been checked, verified, and edited by me.

All final submitted work represents my own understanding and decisions.

AI was not used to generate final SQL queries, final database schema, or any part of the assignment requiring original academic reasoning.

AI use has been transparently recorded in the accompanying “Record of GenAI Use” document.

AI has been cited appropriately in the Reference List.

I understand that I am responsible for the academic integrity of all submitted work.
